On August 8, 2017 CMT was welcomed into one of the Most Exclusive clubs in business and was recognized for earning a lofty position on INC. 5000's 2017 list of the Fastest Growing Companies in 2017. The INC. 5000 recognition came on the heels of the prestigious honor that Ms. Johnson and CMT received on May 5, 2017 when The WPO in partnership with American Express recognized Ms. Johnson for leading one of the 50 Fastest Growing Women-Owned/Led companies Globally!

"We're excited to have awardees from a diverse range of industries and locations, including three international winners," said Marsha Firestone, Ph.D., President and Founder of the Women Presidents' Organization. "Supporting the growth of women-owned and led companies is a true mission for us at American Express, and we are delighted to recognize these trailblazing women for their success," said Susan Sobott, President, Global Commercial Payments, American Express.
